Provided that—

(1) in the case of a female candidate, a competent authority may either dispense with a certificate or accept a certificate signed by any female medical practitioner, and

(2) in the case of a candidate who is appointed on pay not exceeding fifty rupees per mensem, a competent authority may accept a certificate signed by any medical officer irrespective of his rank.

The certificate should be in the form prescribed by Rule 11 in Chapter III.

2. In the case of female candidates, the examination will be confined to the general condition of health and constitution only.

3. *Cancelled.*

4. Medical Officers in charge of civil stations should, when required to do so, examine successful candidates as to their physical fitness both before admission into the Training Colleges and before they are appointed to Government service.

Students of the Training Colleges for men and women at Poona should on admission be examined by the Bombay Medical Service Officer in medical charge of these institutions instead of by the Civil Surgeon, Poona, and on leaving the Colleges they should be examined as to their physical fitness by the Civil Surgeons of the districts to which they are appointed.

5. Heads of offices will furnish the candidate with a letter of cognizance stating the department and the appointment to which the candidate will be appointed and also briefly summarising the nature of the work he or she will have to perform, and making mention of any special hardships of climate, weather, fatigue and the like which the candidate will have to endure. The declaration mentioned in the next paragraph should be attached to the letter of cognizance, which is printed as Schedule C below. In cases of examination by a Medical Board the authority furnishing the letter of cognizance may be the Head of Department, if it is not possible to get the letter signed by a Head of Office.

6. The utmost care should be exercised in furnishing certificates of physical fitness to candidates for public services, and applicants will be required by the appointing authority to declare in writing, when possible, whether they have at any time been pronounced unfit for Government employment by a duly constituted medical authority.

7. The examination as to the physical fitness of candidates, except in the case of those seeking admission to departments for which special standards of physical fitness are laid down, will comprise routine examination into the health and bodily condition of candidates for the public service, with special reference to the points noted below :—

- (1) General conformation.
- (2) The presence or otherwise of hæmorrhoids or fistula.
- (3) The presence or otherwise of hernia, or weakness of the inguinal rings and canals.

A candidate whose standard of vision does not come up to the requirements of services specified in Schedule B without the use of contact glasses, will not be eligible for appointment in Government service.

Note 1.—The term “contact glasses” is defined in Gould’s Medical Directory as follows :—

Contact lenses, in optics, a glass shall, the concavity of which is in contact with the globe of the eye layer of liquid being interposed between the lens and the cornea.

Note 2.—Rules 7 and 8 in this Appendix are laid down as a general guide for the examination of candidates for Government service, but Medical Officers are allowed perfect freedom of action in the grant of certificates to candidates with some defect which will not interfere with the performance of the candidates’ duties.

9. Medical Officer should note in the certificate of physical fitness the fact of vaccination having or not having been performed and should also take the left hand thumb impression of the candidate thereon in the case of a non-gazetted Government servant. The examining Medical Officers are responsible for this.

10. Candidates of inferior physique for admission into the Bombay Veterinary College with a view to ultimate employment in Government service will not be admitted.

Care should be taken by that officer that letters are given only to likely applicants.

Note 2.—Any candidate is liable to further medical examination, if the Chief Conservator so directs.

15. Candidates for all Government scholarships tenable in England or on the Continent are required to submit with their application a certificate of physical capacity to undergo the course of life and study, which they will have to follow in England, signed or countersigned by the Presidency or a Civil Surgeon. Such candidates should therefore be subjected to a careful medical examination by the Presidency Surgeon or the Civil Surgeon, as the case may be, and special attention should be paid to the probability of their being able to stand the English climate. Note.—Under no circumstances, shall a candidate be entitled to a copy of the report or the detailed findings of a Medical Board.

19. Candidates pronounced unfit shall, with the permission of the head of the office concerned, be entitled to appeal to the Surgeon General through the examining Medical Officer or the Medical Board, who in forwarding the appeal will state his, her or their reasons for the decision. The Surgeon General will decide whether the candidate should be examined by another Medical Officer or by a Medical Board or by another Medical Board if the candidate was previously examined by a Medical Board.

20. *Cancelled.*

21. The examining Medical Officer is held responsible for the measurements of height, weight, chest and abdomen in cases where these are specifically laid down. He is also responsible for noting on the certificate the marks of identification.

22. Detailed accounts of the examinations held in India by individual Medical Examiners, or by Medical Boards, of candidates, who may subsequently have to present themselves for final examination before the India Office Medical Board, should be forwarded to the Medical Board of the India Office for record. It is of great importance that the Board should have before it, when proceeding to the final examination of such candidates, full particulars of the information obtained and the conclusions reached by the examiners by whom the candidate was first passed as physically fit for Government service.

SCHEDULE B.

REGULATIONS AS TO THE STANDARD OF VISION.

[See Rules 8 and 12 (6) of the Appendix.]

cl. iii

(a) *Provincial and Subordinate Services other than technical services.* *Sl. 30.*

1. A candidate may be admitted into the Civil Services of Government if ametropic in one or both eyes, provided that, with correcting lenses not exceeding—5 D, the acuteness of vision be not less than 6/9 in one eye and 6/6 in the other; there being no morbid changes in the fundus of either eye.

2. Cases of Myopia, however, with a posterior staphyloma may be admitted into the service, provided the ametropia in either eye does not exceed 2.5 D, and active morbid changes of choroid or retina be present.

3. A candidate who has a defect of vision arising from nebula of the cornea is disqualified if the sight of either eye be less than 6/12; in such a case the acuteness of vision in the better eye must equal 6/6, with or without glasses.

4. Paralysis of one or more of the exterior muscles of the eyeball disqualifies a candidate for the services under the control of Government. In the case of a candidate said to have been cured of strabismus by operation, but without restoration of binocular vision, if, with correcting glasses, the vision reaches the above standard (1), and if the movement of each eye be good, the candidate may be passed. The same rule applies to the case of unequal ametropia without binocular vision, both eyes having full acuteness of vision with glasses and good movement.

5. Any morbid condition of the lids subject to the risk of aggravation or recurrence, and infectious and contagious in nature, in either eye, may cause the rejection of a candidate. *Sl. 145.*

(b) *The Departments of Forest, Factories, and for various Artificers.*

1. If myopia in one or both eyes exists, a candidate may be passed, provided the ametropia does not exceed 2.5 D, and if with correcting glasses, not exceeding 2.5 D, the acuteness of vision in one eye equals 6/9 and in the other 6/6, there being normal range of accommodation with the glasses.

2. Myopic astigmatism does not disqualify a candidate for service, provided the lens or the combined spherical and cylindrical lenses required to correct the error of refraction do not exceed 2.5 D, the acuteness of vision in one eye, when corrected, being equal to 6/6 and in the other eye 6/9, there being normal range of accommodation with correcting glasses, and provided there is no evidence of progressive disease in the choroid or retina.

3. A candidate having total hypermetropia not exceeding 4 D is not disqualified, provided the sight in one eye (when under the influence of atrophine) equals 6/9, and in the other eye equals 6/6, with + 4 D or any lower power.

4. Hypermetropic astigmatism does not disqualify a candidate for service, provided the lens or combined lenses required to cover the error of refraction do not exceed 4 D and that the sight of one eye equals 6/9 and of the other 6/6 with or without such lens or lenses.

5. A candidate having a defect of vision arising from nebula of the cornea is disqualified if the sight of one eye be less than 6/12. In such a case, the better eye must be emmetropic. Defects of vision arising from pathological, or other changes in the deeper structures of either eye, which are not referred to in the above rules, may exclude a candidate for admission into the service.

6. A candidate is disqualified if he be unable to distinguish the principal colours (achromatopsia).

7. Paralysis of one or more of the exterior muscles of the eyeball disqualifies a candidate for the service.

(c) *The Department of Public Works.*

1. If myopia in one or both eyes exists, a candidate may be passed, provided the ametropia does not exceed 3.5 D, and if with correcting glasses not exceeding 3.5 D, the acuteness of vision in one eye equals 6/9 and in the other 6/6, there being normal range of accommodation with the glasses.

2. Myopic astigmatism does not disqualify a candidate, provided the lens, or the combined spherical and cylindrical lenses, required to correct the error of refraction, do not exceed 3.5 D, the acuteness of vision in one eye, when corrected, being equal to 6/9, and in the other 6/6, there being normal range of accommodation with the correcting glasses, and provided there is no evidence of progressive disease in the choroid or retina.

3. A candidate having total hypermetropia not exceeding 4 D, is not disqualified, provided the sight in one eye (when under the influence of atrophine) equals 6/9, and in the other eye equals 6/6, with + 4 D glasses, or any lower power.

4. Hypermetropic astigmatism does not disqualify, provided the lens or combined lenses required to cover the error of refraction do not exceed 4 D, and that the sight of one eye equals 6/9, and of the other 6/6, with or without such lens or lenses.

5. A candidate having a defect of vision arising from nebula of the cornea is disqualified if the sight of one eye be less than 6/12. In such a case the better eye must be emmetropic. APPENDIX VII-A.

[See Rules 121, 122 and 140.]

RULES* REGULATING THE RECOVERY OF LEAVE AND PENSION CONTRIBUTIONS
IN THE CASE OF GOVERNMENT SERVANTS IN FOREIGN SERVICE.1. *Cancelled.*

2. Contribution on account of pension and leave should be calculated according to the rates laid down in the annexed Schedule.

Note.—In respect of the Government servants subject to the Revised Leave Rules, 1935, recovery from borrowing Governments of contribution for leave-salary should be made at the rates laid down for foreign service contributions with retrospective effect from 4th August 1931.

The liability of a borrowing Government to pay contributions to the lending Government will cease when a Government servant is permanently transferred to the former.

3. (a) The term "active foreign service" used in the Schedule includes the period of joining time which may be allowed to a Government servant both on the occasion of his proceeding to and reverting from foreign service and contributions are accordingly leviable in respect of such periods.

Note.—The leave-salary contribution for the period of joining time taken by a Government servant in continuation of leave under clause (b) of Rule 79 before reversion from foreign service should be calculated on the pay he was getting immediately before he proceeded on leave.

(b) "Length of service" means the total period running from the date of the commencement of pensionable service. *56-1-146*

Note 2.—In the case of officers who under rule 284 are allowed an addition to their duty counting for gratuity pension, a period equal to 5/4ths of the period of addition should be added to their length of service for determining the rate of pension contribution.

This decision will apply only in the case of officers transferred to foreign service in future. Cases of officers to whom Bombay Civil Services Rule 284 applies, and who are already in foreign service, will not be reopened.

3A. In the case of a temporary Government servant who is transferred to foreign service Government may decide whether contribution for pension should or should not be recovered having regard to the probabilities of the Government servants' qualifying for a pension. In such a case contribution for pension should be calculated if Government so decide, in the following manner:—

- (i) if he is on a time-scale of pay, on the maximum of time-scale; and
- (ii) if he is on a fixed rate of pay, on that pay.

Contribution for leave should be calculated on the scale prescribed in the Schedule.

4. For the purposes of Rule 140 (b) the following procedure should be followed:—

(a) As regards contribution for pension in the case of a Government servant who is entitled to pension according to Scales I and II in Rule 282, the amount to be recovered as contribution should be the average of the rates prescribed in the second column of the table in the Schedule. In the case of members of Provincial *Subordinate* *cl. III* Services, a fraction of the total maximum monthly pay of all the sanctioned posts equal to the average of the percentages laid down in column 3 of the table in the said Schedule should be levied as contribution. *56-1-146*

(b) As regards contributions for leave salary, recoveries should be made by levying the percentages prescribed in the Schedule on the total sanctioned cost, or, in the case of time-scales of pay on the average cost, of all the posts concerned.

4-A. (a) In cases in which special pay only is recoverable from additions to regular establishments as contemplated in Rule 140, the following procedure shall be followed:—

(i) In the case of a Government servant who is entitled to pension according to Scales I and II in Rule 282, the pension contribution to be recovered on the special pay should be equal to $Y/X \times Z$ special pay, where Y represents the average of the

*These rules have been in force from 1st April 1931.

rates of contribution prescribed in the second column of the table in clause (1) of the Schedule for the particular years of service during which the special pay is received, and X represents the average monthly pay arrived at after taking into account pay as well as the special pay received during those years—*Vide* accompaniment to Government Resolution, Finance Department, No. 1076, dated the 28th May 1932. In the case of members of ^{Provincial} ~~Subordinate~~ ^{services}, the average of the percentages laid down in Column 3 of clause (1) of the Schedule should be levied on the amount of special pay.

(ii) As regards contribution for leave salary, it should be levied in all cases on the amount of special pay at the applicable rate prescribed in clause (2) of the Schedule.

(b) For purposes of recovery of pension and leave contributions in respects of special pay received in addition to normal pay, by staff sanctioned as additions to regular establishments as contemplated in Rule 140, the same procedure as in clause (a) above, shall be followed. Pension contributions on these lines should however, be recovered in cases of persons to whom Rule 9 (41-A) applies except when their special pay is of the kind mentioned in clauses (d) and (e) of that Rule.

5. A Government servant who is a subscriber to the Contributory Provident Fund and who is transferred to foreign service shall pay monthly subscriptions calculated on the rate of pay drawn in foreign service. The foreign employer or the officer himself, according to the arrangement made under Rule 119, shall pay, in addition, for the period of active foreign service, at such times as Government may prescribe in each case, a contribution determined by the formula $X+XY$, where X equals the amounts which would have been credited monthly to the subscriber's account in the Provident Fund had he not proceeded on foreign service, the rate of pay drawn by him, in foreign service, being regarded as his 'emoluments' for this purpose, and Y equals the fraction which the amount recoverable as leave salary contribution bears to pay drawn in foreign service.

6. In the case of additions made to regular establishments prior to 1st April 1931, contributions for pension and leave-salary should be recovered as follows:—

(a) The additions made before the 1st August 1913 are subject to the rates prescribed in the original Fifth Edition of the Civil Service Regulations.

(b) The rates of contributions applicable to the additions made on or after 1st August 1913 and before the 27th January 1922, are those prescribed in Articles 769 and 770 of the Reprint of the Fifth Edition of the Civil Service Regulations.

(c) The additions made on or after 27th January 1922 and up to 31st May 1929 are subject to the rates laid down in Government Resolutions, Finance Department, No. 1076 dated 15th February 1922 and No. 1076 dated 25th August 1924. (Government of India letter, Finance Department, No. F-I-XI-R. I/29 dated 30th July 1929 embodied in Government Resolution, Finance Department, No. 1076, dated 5th September 1929).

(d) The additions made on or after 1st June 1929 and before 1st April 1931 are subject to the rates prescribed in sub-rule (a) of Rule 121 in the 2nd Edition of the Bombay Civil Services Rules Manual.

Note.—A departure has been made from the above rules in the cases of the following establishments:—

(1) Public Land Conveyance Licensing Department	25 per cent.
(2) Music License Department	25 per cent.
(3) Harbour and Dock Police including the Police supplied to the Shipping Office	25 per cent.

APPENDIX XII-A.

[See Rule 301-A.]

SECTION A..

Rules regulating the grant of gratuities from the Compassionate Fund.

14. The Compassionate Fund is intended for the relief of families of Government servants paid monthly from Provincial revenues, whether their rates of pay are fixed on a daily or a monthly basis, if they are left in indigent circumstances through the premature death of the person upon whom they depended for support:

Provided that no application will be considered from dependants of Government servants who were subscribers to a contributory provident fund:

Provided further that no application will be considered which is not submitted to the department of Government concerned within one year of the death of the Government servant, unless the delay in submission is sufficiently explained. It is most desirable that applications should be submitted as promptly as possible after the death of a Government servant).

The fund is formed by an annual grant of Rs. 9,000 which is cumulative, the unexpended balance* of one year's grant being carried forward to the credit of similar expenditure in succeeding years. The maximum limit of expenditure in any single year is Rs. 14,000. 54/37

Note.—In forwarding an application for assistance from the Compassionate Fund, the Head of the department should submit an independent report on the financial condition of the applicant from the Collector, District Magistrate or Political Officer of the place where the applicant resides. 54/37.

1-A. In all cases of applications for assistance from the Compassionate Fund, the treasury at which payment is desired, in the event of assistance being granted, should be specified and the following particulars in respect of the person to whom the gratuity is to be paid should be furnished:—

- (i) Full name.
- (ii) Marks of identification.
- (iii) Height.
- (iv) Race, Sect.
- (v) Residence showing village and taluka or (mahal).
- (vi) Date of birth.
- (vii) Signature or left hand thumb and finger impressions:—

Small finger.	Ring finger.	Middle finger.	Index finger.	Thumb.
()	()	()	()	()

The above particulars should be submitted in duplicate (on separate sheets) and attested by two or more persons of respectability in the town, village, taluka or mahal in which the applicants reside.

*Limit upto which unspent balance may be utilized is Rs. 5,000.

2. The conditions which regulate a grant from the Fund are :—

(1) Grants from the Fund are restricted to cases of an exceptional character.

(2) The deceased Government servant must have been a meritorious public servant. Unusually meritorious service gives special claim for consideration.

(3) Death due to special devotion to duty establishes a strong claim for consideration.

(4) In more ordinary cases preference should be given to the dependants of Government servants who have completed many year's service and have just failed to draw their pension.

(5) Other things being equal, preference should be given to those who have been on low rates of pay.

(6) As a general rule, a grant should not be given if the salary of the deceased Government servant exceeded Rs. 750 a month.

(7) Assistance should seldom be given to families of gazetted Government servants ~~except so far as it may be necessary to assist them to obtain a passage home.~~ *sl-f 38*

(8) No application for gratuity from dependants of Government servants who drew monthly pay of Rs. 60 and above and did not subscribe to the Provident Fund will be entertained.

3. The rules for sanctioning grants are :—

(1) No pension is granted from the Fund, but in some cases yearly grants are made for a limited period to defray the expenses of the education of children.

(2) The maximum gratuity payable in any individual case is Rs. 5,000. The precise amount in all cases is fixed according to the number of members in the family and the necessities of the case, the equivalent of a year's pay of the deceased being considered a suitable maximum in cases in which the circumstances are such as to require liberal treatment, but in most ordinary cases six months' pay is regarded as sufficient.

4. The Fund will be administered by a Committee consisting of His Excellency the Governor, the Honourable the Prime Minister and the Honourable the Finance Minister and, in case where the Honourable the Prime Minister is also the Finance Minister, he and one of the other Honourable Ministers appointed by His Excellency the Governor. On receipt of an application in the Finance Department, the facts will be summarized and put up before the Compassionate Fund Committee without comment in four batches every year, viz., in April, July, October and January. The Committee's decision will be communicated by the Finance Department, direct to the authority submitting the application, the Department concerned and the Accountant General, Bombay. If payment is to be made to a person resident in England, the Finance Department will also address the High Commissioner for India for the payment to be made.

SECTION B.

Form of particulars required to be furnished in each case of recommendation for the grant of an award from the Compassionate Fund.

(2) 962. When a pension is granted to an officer who desires that payment thereof from the date of its commencement should be made at the Home treasury, the Audit Officer who audits the pay of the officer should, on receipt of sanction to the grant of pension, issue a last-pay certificate, and forward to the High Commissioner for India a duplicate thereof, together with a copy of the first page of the application for pension and of the order of the Local Government or other authority granting the pension. The forwarding letter should always request that payment be made from some specific date, the date being ascertained from the last-pay certificate.

(3) 963. If the pension is not wholly chargeable against the General Revenues, care must be taken to state in the certificate how it is to be charged.

(4) 964. The annuities and pensions of all officers are issued at the Home treasury monthly in arrear on the 16th day of each calendar month.

They are made up to the following quarterly dates, viz., to the 15th March, 15th June, 15th September and 15th December; and they are paid in monthly instalments, the first two instalments in each quarter being the net amount accrued, omitting shillings and pence, and the third instalment being the balance due for the quarter.

(5) 966. The rules in this Section apply to pensions granted under the rules in any Chapter of these Regulations. The pension of a pensioner residing in any Colony named in Appendix 15 may be paid there.

Each payment should be endorsed on the back of both the original and the triplicate Warrant, an acknowledgment of receipt of money being rendered by the payee. When no space for such entries remains, or when a Warrant is lost or destroyed, a fresh Warrant shall be issued by the officer who issued the original Warrant on application being made through the Colonial disbursing officer. (9) 973. Upon his return to India an officer should deliver up his copy of the Warrant, which will serve the purpose of a last-pay certificate.

RULES FOR REGULATING THE GRANT OF COMPENSATORY ALLOWANCES TO GOVERNMENT SERVANTS UNDER THE ADMINISTRATIVE CONTROL OF THE BOMBAY GOVERNMENT STATIONED AT CERTAIN EXPENSIVE PLACES.

N.B.—(i) The rules in this Appendix are provisional and are liable to be withdrawn or modified in the event of a marked change in the cost of living in the localities to which the orders relate or in the conditions of service or pay of particular posts, whenever Government consider such modification or withdrawal to be justified.

(ii) Government may grant or refuse the allowance to any individual Government servant or class of Government servants, in any case, in accordance with the general spirit of the rules contained in this Appendix.

The following rules govern the grant of compensatory allowances to Government servants stationed at Bombay and Salsette, who hold substantively or in an officiating capacity posts in the services mentioned in the annexed schedule and who draw only the scale pay or grade pay of these services with or without the addition of special pay. They do not apply to (1) Government servants who are not whole-time servants of Government, (2) Government servants whose pay has been revised in accordance with Government Circular No. 438, dated the 25th June 1920, and (3) ministerial and inferior servants of Government.

34-39 *Note.*—Probationers as defined in Rule 9 (47) are eligible for this allowance.

Rule 1.—This allowance will be calculated on pay as defined in F. R. 9 (21) or Bombay Civil Services Rule 9 (39) at the following rates in Bombay and Salsette :—

Note.—For the purposes of the above scale the limits of Bombay should be taken to be the limits of the island of Bombay.

Rule 2.—Except as provided in rule 2-A this allowance is admissible only to a Government servant a member of whose family, as defined in Rule 9 (18), is resident with him.

Note 1.—The allowance is admissible to a Government servant for the whole day even if a member of his family resides with him for a part only of that day.

Page 96, Appendix XV—

Substitute the words “class IV servants” for the words “inferior servants” occurring in the last line of the first paragraph in this Appendix.

(G.R., P. & S.D., 1586/34, dated 19th May 1948.)

[Correction No. 39, Financial Publication No. V, 3rd Edition
(Reprint), Volume II, dated 20th January 1950.]

Note 2.—The allowance is admissible to a Government servant for a period of temporary absence of his family not exceeding seven months if a residence is maintained during the period, provided that when a Government servant is posted to a place where this allowance is admissible, the allowance may not be drawn until a member of his family actually joins the Government servant at the place. In making a claim under this Note the Government servant must certify in his pay bill that he has maintained a separate residence and that his family intends to return to him within seven months of the date on which it left him. If this condition is not fulfilled the Government servant concerned must, unless in the meanwhile he is transferred to another station, refund the amount of the allowance drawn which would otherwise have been inadmissible. 56/40

Note 3.—A Government servant, transferred from one station to another, at both of which the allowance is admissible may, if he drew the allowance at the old station, draw it during joining time, provided that if the rates at the two stations differ he may draw it according to the lower scale only. It should be calculated on the pay admissible during the period of transit.

Rule 2-A.*—A Government servant, no member of whose family as defined in Rule 9 (18) resides with him, may draw this allowance only when he is declared by Government to be compelled to maintain a separate residence of his own or holds a post to which Government declare a specified official residence to be attached provided in both cases that the residence is actually maintained.

Rule 2-B.—In claiming this allowance under the provisions of Rule 2 or 2-A, Government servant must certify in his pay bill either that a member of his family as resided with him, or that he has maintained a separate residence or the official residence attached to his post, during the period.

In calculating the emoluments of the officer concerned for the purposes of this deduction, the value of the housing concession granted in the shape of Government quarters or hired quarters or of house rent allowance in lieu thereof should be taken to be 10 per cent. of his other emoluments.

Rule 5.—All medical officers admitted to this allowance who are permitted private practice or who receive an allowance in lieu of private practice are entitled to draw this allowance at half rates.

A list of medical officers who are debarred from private practice and are therefore entitled to draw the allowance at the full rate will be found in Annexure C.

SECTION II.

Grant of House-rent Allowance to officers appointed by the Secretary of State in Council or by the Secretary of State and stationed at certain expensive places.

In view of the rise in house-rents in the cities of Bombay and Poona, and the Island of Salsette, the following orders have been issued as a measure of relief :—

(1) These orders apply to all officers appointed by the Secretary of State in Council or by the Secretary of State and serving directly under the Government of Bombay, provided that Government may, at their discretion, disallow the allowance to any individual officer or class of officers.

(2) Where an officer with headquarters in Bombay, Salsette or Poona is not provided with Government accommodation and is privately paying rent exceeding 10 per cent. of his emoluments for unfurnished accommodation, an allowance will be granted on the following scale :—

Bombay—15 per cent. of emoluments,

Salsette taluka—12 per cent. of emoluments,

Poona—10 per cent. of emoluments, subject to the following limits :—

(a) the allowance *plus* 10 per cent. of the officer's emoluments does not exceed the rent actually paid ;

(b) the scale of accommodation occupied must be approved by Government ;

(c) an officer's family shall be deemed to include his wife, dependants, and servants ; if one or more other adults normally occupy the accommodation in addition, a reduction of 2/5ths of the rent will be assumed ;

(d) if an officer sublets part of his accommodation to another officer the allowance will be reduced by 10 per cent. of the lessee's emoluments ; if to a non-official, a reduction of 2/5th of the total rent paid will be assumed ;

(e) a certificate in the Form shown in the Schedule below, must be attached to each bill for the full allowance to the effect that no part of the accommodation is sublet or occupied normally by adults other than an officer's family.

(3) Officers not provided with Government accommodation (either free or on rent) may, subject to Government approval of the accommodation and lease, engage accommodation and become entitled to the allowance on the same scale and conditions.

(4) If Government accommodation becomes available, Government may at any time direct an officer to occupy it and in the event of refusal stop the allowance.

(5) For the calculation of percentage on emoluments of I. M. S. Officers entitled to private practice, the emoluments shall be assumed to be increased by Rs. 300 per mensem and the percentage calculated on the total.

(6) Officers who move with Government to Bombay or Poona and rent accommodation at these places are entitled to the allowance on the Bombay scale.

(7) The allowance is admissible to unmarried as well as married officers and is admissible during temporary absence from headquarters.

(8) No officer may draw the allowance for more than one station at a time.

(9) Where furnished accommodation is engaged, the allowance shall be on the same conditions but at the difference between the rent actually paid and $12\frac{1}{2}$ per cent. of emoluments up to the percentages stated in sub-paragraph (2) above.

(10) Officers living in their own houses will not be eligible for the allowance.

(11) Officers desiring to take advantage of this allowance should apply to Government through Heads of Departments with details of the accommodation secured.

Note 1.—For the purpose of this section, the term "emoluments" should be defined as in Rule 9 (17).

Note 2.—For the purpose of this section, the term "rent" should be held to be exclusive of taxes for specific services payable by the occupier, viz. special sanitary cess, water rates (general and special), whether they are calculated on the rateable value or in accordance with the number of residents or the amount of water supplied and the drainage tax where it exists as a separate entity. If these are actually paid by the landlord, "rent" should be taken to be the amount actually paid by the occupier less taxes payable by him.

Note 3.—A refrigerator should not be regarded as converting an otherwise unfurnished house into a furnished one for purposes of calculating the house-rent allowance admissible to an officer. In such cases the actual rent paid to the landlord for the refrigerator should, if separately agreed upon, be deducted from the total rent of the house and the house-rent allowance should be calculated on the balance as for "unfurnished accommodation". In cases where the rent for the refrigerator has not been agreed upon separately, rent at the flat rate of Rs. 12 per month (irrespective of size and make of the refrigerator) should be deducted from the actual rent of the house.

3. Officers whose pay exceeds Rs. 1,500 a month, and the Military Secretary, Secretary to the Legislative Council, Secretary to the Legislative Assembly, the Deputy Secretary to Government, Political and Services Department, the Surgeon, and Aides-de-Camp to His Excellency the Governor, are entitled to travelling allowance as for a journey on transfer, or to actual expenses incurred, whichever may be less, for journeys from Bombay to Poona and back.

4. This travelling allowance will be drawn upon a certificate as follows:—

“I certify that the amount of this bill does not exceed my actual expenses and that it is not more than the amount admissible to me on transfer”.

In order to enable the Accountant General to verify the amount admissible on transfer, the certificate should specify the number and relationship of the family members, and also the conveyances or horses, on account of which transport charges are admissible.

Note.—The provisions of Rules 3 and 4 apply to the Oriental Translator to Government and the Assistant Secretaries Government, Home Department (Political) and Legal Department (Legislative Section), Personal Assistant to the Remembrancer of Legal Affairs and to other Assistant Secretaries who may be summoned on duty to Poona provided that their stay there exceeds one month.

Third.—All Government servants in superior service not included in classes First and Second.

10. *A Government servant, who is absent on leave on average pay not exceeding four months when the headquarters of the Government of Bombay are moved to or from Poona or who takes leave on average pay not exceeding four months during the move, and is permitted to rejoin his appointment at Poona or Bombay, as the case may be, may, if his *locum tenens* has not received travelling allowance, draw, after his return to duty, the travelling allowance which he would have received if he had accompanied the Government on its removal.

11. A clerk proceeding on leave from Poona to Bombay, or to any other place at which his family is located, should be given with the permission of the Head of his Office once in the "Camp" season travelling allowance as for a journey on tour for the journey to Bombay or to the other place and back, provided that no higher charge will be admitted than would have been admitted had the journey been made direct from Poona to Bombay.

Note 1.—The term "leave" used in this rule includes casual leave as well as gazetted holidays.

Note 2.—The Head of the Office may, at his discretion, allow travelling allowance to be drawn under this rule for a second time, in cases of emergency.

III.—House Rent and Local Allowances.

(Government servants in Superior Service.)

12. The following revised scale of house rent and local allowances is sanctioned to clerical establishments, the house rent allowance being for those for whom free quarters are not provided :—

On pay actually drawn.	House rent for the season.	Local allowance per mensem.	
		To family men.	To single men.
Rs.	Rs.	Rs.	Rs. a. p.
Less than 60	127	40	20 0 0
Rs. 60 but less than 100	147	45	22 8 0
„ 100 but less than 150	167	60	30 0 0
„ 150 but less than 200	210	75	37 8 0
„ 200 but less than 300	250	95	47 8 0
„ 300 and upwards	250	115	57 8 0

Upper Subordinates of the Public Works Department and the Assistant or Deputy Engineers who accompany the Chief Engineer and Secretary to Government, Public Works Department, to Poona should be held eligible for the house rent and local allowances on the same scale as clerks in lieu of any compensatory local allowance that may be admissible to them at Poona. The Sub-Assistant Surgeon employed under the Surgeon to His Excellency the Governor should be held eligible for local allowance during his stay in Poona on the scale which is admissible to clerks. The Assistant Secretary, Home Department (Political), Personal Assistant to the Remembrancer of Legal Affairs and the Assistant Secretary, Legal Department, may draw local and house rent allowances on the same scale as clerks during their stay at Poona. Any other Assistant Secretaries summoned to Poona on duty may draw the allowances at the same rates and subject to the same conditions as are applicable to the Assistant Secretaries who move with Government provided that their stay there exceeds one month.

Note 1.—No Government servant has any claim to free quarters, and Government do not undertake to bear the entire expenditure incurred by a Government servant upon house rent but only to give assistance towards it.

Note 2.—In cases in which the rate of pay of a Government servant accompanying Government to Poona changes during the period of his stay there the house rent allowance should be calculated on the different rates proportionately to the respective periods during which those rates were drawn.

12-A. The allowances mentioned in Rule 12 should not be granted to clerks recruited in Poona for the season in which they are recruited as they cannot be said to have moved with the Headquarters of Government.

13. The house rent allowance for the Poona season is payable in advance before Government servants leave Bombay for the hot season, and is granted for the period of their stay at Poona.

14. The house rent allowance to Government servants referred to in Rule 12 shall be regulated as shown below :—

House rent allowance.

- | | | | | |
|--|-----|-----|--|---|
| (1) If the period of residence in Poona exceeds one month but does not exceed two months | ... | ... | $\left. \begin{array}{l} \frac{1}{3} \\ \frac{1}{2} \\ \frac{2}{3} \end{array} \right\}$ | Of the amounts specified ⁹ in Rule 12. |
| (2) If the period of residence exceeds two months but does not exceed three months | ... | ... | | |
| (3) If the period of residence exceeds three months but does not exceed four months | ... | ... | | |
| (4) If the period of residence exceeds four months | ... | ... | | |
- The full allowance.

No allowance on account of house rent shall be admissible to a Government servant who resides at Poona for a period of one month or less.

Note.—A certificate should be attached to each pay bill to the effect that the Government servants for whom house rent allowance has been drawn in advance have stayed in Poona during the month and are not provided with free quarters.

15. The local allowance may be drawn (i) for the period of residence at Poona and (ii) for one week before the date notified by Government for the assembling of Government at Poona and one week after the return of Government to Bombay. The claim for the allowance for the period mentioned in (ii) is not affected by reason of a Government servant being entitled to draw during the same periods any tour allowance for proceeding on tour from Bombay or from Poona instead of accompanying the headquarters of Government.

Note 1.—The date of arrival at Poona is included in "Residence" but not the date of leaving Poona or Bombay.

Note 2.—When Government servants arrive at Poona or return to Bombay earlier or later than the dates notified by Government they may be allowed local allowance for one week before the actual date of arrival at Poona or for one week from the date immediately following that on which residence at Poona ceases. This concession as well as that referred to in item (ii) of this rule is not admissible to Assistant Secretaries to Government.

Note 3.—The establishment of the Secretary to the Legislative Council and the Secretary to the Legislative Assembly going direct to Poona in June may be allowed the concession specified in clause (ii) of this rule and in Note 2 above.

Note 4.—If the period of residence of a Government servant in Poona is less than a month no local allowance is admissible. The Government servant in such cases is also not entitled to the concession referred to in (ii) of the rule.

16. A Government servant referred to in Rule 12 proceeding from Poona to Bombay on duty is not entitled to draw daily allowance for his halt at Bombay.

17. If a Government servant obtains leave on average pay not exceeding four months while at Poona and rejoins at that place, he may draw the local allowance for the period of his absence provided it has not been paid to a substitute.

18. Local allowance may be allowed to a substitute instead of to a Government servant who has gone on leave. If, however, a Government servant obtains leave on average pay on medical grounds and a substitute is appointed, the local allowance may be allowed to be drawn by the Government servant on leave up to a maximum period of four months as well as by the substitute, provided that the Government servant on leave is not able to leave Poona.

Note.—A certificate should be attached to the pay bill to the effect that the Government servant/ Government servants for whom the local allowance has been drawn continued to reside at Poona during the month.

Page 129, Appendix XVIII—

Substitute the words “class IV servant” for the words “inferior servant” occurring in Rule 23 of this Appendix and Notes 1 and 2 below it.

(G.R., P. & S.D., 1586/34, dated 19th May 1948.)

[Correction No. 44, Financial Publication No. V, 3rd Edition
(Reprint), Volume II, dated 20th January 1950.]

19. A Government servant on leave on average pay not exceeding four months, if permitted to rejoin his duties on the expiry of his leave at Bombay or Poona, as the case may be, simultaneously with or after the arrival there of the headquarters of the Government of Bombay, may draw local allowance for seven days of his leave.

Note.—The concession in this rule is not admissible to Assistant Secretaries to Government.

20. A Government servant sent to Poona to act for a Government servant who is on leave is eligible for the concession admissible under Note 2 to Rule 15 subject to the provisions of Note 4 thereunder.

Note.—The concession in this rule is not admissible to Assistant Secretaries to Government.

IV.—Minor Concessions.

21. The pay and other allowances of a clerk or a peon for the month in which, he leaves Bombay or Poona, as the case may be, may be advanced by, or on the counter-signature of, the Head of Office. The advance will be recovered in two equal instalments from the pay and allowances due for the following two months. Advances of travelling allowances may also be granted.

Note.—The advances mentioned in this rule are admissible only at the time the head-quarters of Government are moved from Bombay to Poona in June and at the time of the assemblage of Government at Bombay in November.

22. No certificate is required as to actual expenditure on house rent.

V.—Local Allowance to Inferior Servants.

23. One third should be added as local allowance to the pay of every ^{cl. IV slip} ~~inferior~~ servant from the day of his departure from Bombay to the day of his return thereto ⁴⁴ inclusive.

Note 1.—The grant of local allowance under this rule does not preclude the grant of free quarters to inferior servants at Poona.

Note 2.—During their stay at Poona, inferior servants, who are not provided with free quarters, may be granted house rent allowance at the rate of Rs. 3½ per mensem in lieu thereof.

The term "stay" in sub-paragraph 2 above includes the day of arrival at and the day of departure from Poona.

Note 3.—During their stay at Poona inferior servants should be granted the house rent allowance admissible to them in Bombay in addition to the house rent allowance admissible under No. 1.

Note 4.—Inferior servants are not entitled to the concession of local and house rent allowance during leave other than casual leave.
